> *There was something good about every event: sessions, location, facility, meals, networking. I was overall very impressed at how available the Dynamo folks made themselves to the clients, and how Dynamo employees, management and owners were interested in our feedback on products and company direction.*

Dynamo University Attendee

Tom Hardin (Tipper X)
KEYNOTE PRESENTATION

WATCH THE VIDEO

Tom Hardin previously spent much of his career as a hedge fund analyst. In 2009, as part of a cooperation agreement with the U.S. Department of Justice, Tom assisted the U.S. government in understanding how insider trading occurred in the financial services industry. Known as "Tipper X," Tom became one of the most prolific informants in securities fraud history, helping to build over 20 of the 80+ individual criminal cases in "Operation Perfect Hedge," a Wall Street house cleaning campaign that morphed into the largest insider trading investigation of a generation.
